

Dakota Shy

2018 Dakota Shy Cabernet Sauvignon

Very classic and compelling Cabernet. The aromas show purposeful and elegant restraint – cedar, tobacco leaf, lavender, currant and dark cherry and earth. In the mouth, this shows a classic, powerful Napa Valley Cabernet with broad fine-grained tannins providing a seamless and finely-filigreed structure and precise balancing acidity. Finishes beautifully with flavors of dried herb, black currant, cedar and cocoa powder that linger. This is a wine that charms with its combination of class, elegance and sumptuousness.
