

Dakota Shy

2014 DAKOTA SHY 'NAPA VALLEY' CABERNET SAUVIGNON

From carefully selected vineyards, produced in very small quantities and artfully crafted to reflect a sense of place, Dakota Shy wines are a testament to Napa Valley's reputation for producing the greatest Cabernet Sauvignon-based wines in the world.

Our first Cabernet Sauvignon from the spectacular 2014 vintage, the 2014 Dakota Shy 'Napa Valley' Cabernet Sauvignon is a masterful blend from three exceptional vineyards. This wine shows the finesse and concentration that is the benchmark for Dakota Shy. Tremendous length, brilliant density and a polished, persistent finish that separates her from her peers. There is no question that this is the best wine Dakota Shy has put in bottle to date.

"Beautiful, complex aromas of black cherry, chocolate, herb, tobacco, mint. In the mouth this is dense, rich and packed with seductive fruit. Shows penetrating dark cherry, cassis, stone fruit flavors and layers of cocoa, caramel, blueberry and plum. The rich, textured mid palate leads to a long, powerful and layered finish. Delicious now but will easily improve for a decade or more in the cellar."

-Tom Garrett, Winemaker
