2014 DAKOTA SHY MCKENNA'S SAUVIGNON BLANC

From carefully selected vineyards, produced in very small quantities and artfully crafted to reflect a sense of place, Dakota Shy wines are a testament to Napa Valley's reputation for producing the greatest Cabernet Sauvignon-based wines in the world.

Our inaugural vintage of a Dakota Shy white wine, the 2014 vintage is 100% Napa Valley Sauvignon Blanc.

"Aromas of lemon curd, slate, golden hay, hints of lychee and tropical fruit. Great weight on the palate with clean focused flavors of lemon, peach, mineral and citrus peel. Very complex and delicious. Beautiful lush texture with weight and flesh balanced by acidity."

-Tom Garrett, Winemaker
