

Dakota Shy

2015 DAKOTA SHY 'MOULDS VINEYARD' CABERNET SAUVIGNON

From carefully selected vineyards, produced in very small quantities and artfully crafted to reflect a sense of place, Dakota Shy wines are a testament to Napa Valley's reputation for producing the greatest Cabernet Sauvignon-based wines in the world.

Our single vineyard bottling of one hundred percent Cabernet Sauvignon from the spectacular 2015 vintage.

"Cassis, dark fruit compote, chocolate and black berry liquor. Incredible complexity of flavors ranging across dried wild herbs, violets, caramel, dark chocolate, baking spice and dark berry flavors. Massive and rich with a dense core of dark fruit, chocolate, mocha, caramel and mineral. Totally palate coating – but tannins are round, rich and seductive while massive. Really impressive for its power and intensity over a beautiful framework. Has classic Moulds' floral notes and sophistication but a density and richness like no other Moulds before. This is spectacular now but will really show its best 2020 and beyond."

-Tom Garrett, Winemaker
