

2015 DAKOTA SHY 'NAPA VALLEY' CABERNET SAUVIGNON

Dakota Shy

CABERNET SAUVIGNON

From carefully selected vineyards, produced in very small quantities and artfully crafted to reflect a sense of place, Dakota Shy wines are a testament to Napa Valley's reputation for producing the greatest Cabernet Sauvignon-based wines in the world.

Our first Cabernet Sauvignon from the spectacular 2015 vintage, the 2015 Dakota Shy 'Napa Valley' Cabernet Sauvignon is a masterful blend from three exceptional vineyards. This wine shows the finesse and concentration that is the benchmark for Dakota Shy. Tremendous length, brilliant density and a polished, persistent finish that separates her from her peers. There is no question that this is the best wine Dakota Shy has put in bottle to date.
