2015 DAKOTA SHY ROSE OF CABERNET

From carefully selected vineyards, produced in very small quantities and artfully crafted to reflect a sense of place, Dakota Shy wines are a testament to Napa Valley's reputation for producing the greatest Cabernet Sauvignon-based wines in the world.

"Beautiful rose petal, watermelon and citrus notes with a complex interplay of mineral, herb and red fruits. Rich and juicy texture with a bright lingering finish. Delicious by the pool or with lighter dishes."

-Tom Garrett, Winemaker
