

2016 DAKOTA SHY ROSE OF CABERNET

From carefully selected vineyards, produced in very small quantities and artfully crafted to reflect a sense of place, Dakota Shy wines are a testament to Napa Valley's reputation for producing the greatest Cabernet Sauvignon-based wines in the world.

"A very pretty pale garnet color. Aromas show restrained notes of cherry blossom, watermelon, citrus-peel, spice and stone. Very youthful and fresh with a bright core of pink grapefruit flavors over complex mineral notes and a long refreshing finish. Ideal with sushi, lighter dishes and warm sunny days."

-Tom Garrett, Winemaker
