2017 TEN

A remarkable TEN - leads with dark berry, dried fig, stone and spice notes. Big and powerful in the mouth with a huge dense core of dried cherry, liquid stone, fig compote, cocoa, mineral and spice all framed by beautiful tannins. Powerful and intense but also intricate and layered. Really impressive. This vintage of the TEN will improve with some years in the cellar - or 3-4 hours in the decanter prior to serving.
