

Dakota Shy

2017 Atlas

Floral and perfumed with lifted red currant, raspberry, dried herb, black olive and black cherry flavors. Powerful, dense, rich. Multi-layered range of flavors covering dark fruit, tobacco, roasted meat, bacon, vanilla and anise. Turns toward roasted blueberries and bitter sweet-cocoa, peppercorn and baking spice on the complex, layered finish. Incredible for its combination of power, density and dark fruit flavors over a fresh, bright, structured core.
